

DE02

Recessed mounted ceiling luminaire for cabins, dining rooms and accommodation areas

The **DE02** from LightPartner is a recessed ceiling luminaire that combines subtle elegance with reliable performance. Its round, discreet design integrates seamlessly into cabins, lounges, dining areas, and other interior spaces, creating a pleasant atmosphere with soft, even light. A durable, powder-coated steel housing with trim ring and an opal polycarbonate diffuser ensure both resilience and visual comfort, while full compliance with maritime standards guarantees dependable use on board. Thanks to interchangeable light sources, the DE02 offers flexible power levels, making it a versatile choice for different lighting needs across various shipboard applications.
