

Montreal 2

The **Montreal2** from LightPartner brings an elegant touch to cabins and living quarters with its decorative design and practical bedside function. Featuring refined matte nickel or polished brass housing and a classic fabric-style lampshade in soft natural white, it exudes timeless sophistication while meeting maritime classification requirements. A discreet integrated reading light adds personalized illumination for nighttime reading, and installation is effortlessly handled via a screw-type wall base with a clean three-pole plug connection. Compatible with both AC and DC power systems, the Montreal2 merges style, convenience, and onboard reliability into one graceful fixture.
