

# EL Flex L

Cornice luminaire, LED, efficient Lighting for floor areas, passage ways, cabins and accommodation areas

The **EL Flex L** from LightPartner is a sleek cornice-style LED luminaire crafted for cabins, passageways, and accommodation areas. Its minimalist galvanized-steel body in clean white, topped with white polycarbonate end caps and an opal diffuser, ensures discrete yet effective illumination—perfectly attuned to the ambiance of marine interiors. Designed to maritime classification standards, it combines durable construction with energy-efficient performance, while flexible options—such as 120 V AC execution and various color temperatures—allow it to adapt seamlessly to diverse project requirements.
