

# Montreal 1

The **Montreal1** from LightPartner is a decorative wall-mounted luminaire crafted for relaxing living areas and cabins. With a choice of matte nickel or polished brass housing and a classic fabric-style chintz lampshade in soft natural white, it exudes timeless elegance while adhering to maritime classification standards. Designed for easy wall installation using a screw-mounted base and featuring clean cable connection via a 3-pole plug, the Montreal fuses sophisticated lighting with nautical-grade reliability. Its flexible power setup—compatible with both AC and DC systems—ensures seamless integration into diverse interior environments.
