

Montreal 3

The **Montreal3** from LightPartner brings a touch of timeless sophistication to cabins and living spaces aboard ships. Featuring a chic nickel matte or polished brass housing paired with a classic chintz lampshade in soft cream, it subtly elevates any interior. With a discreet screw-type mounting base and clean three-pole plug connection, installation is smooth and tidy. Designed to meet maritime classification standards, this luminaire supports both AC and DC power setups while offering the flexibility to accommodate various onboard design themes.
