

# DL90 S

Downlight for MR16 LED lamps. Applicable for cabins, accommodation and public areas

The **DL90S** is a streamlined, recessed spotlight designed for cabins and public areas aboard ships. Its compact aluminum body and discreet decorative ring—available in finishes like white, chrome, brushed steel, gold, or black—blend smoothly into discerning interiors. It accommodates MR16 GU5.3 LED (or halogen) lamps up to 35 W, allowing precise beam direction. The DL90S mounts easily in ceilings up to 20 mm thick using spring clips and connects via a plug-in system. Compliant with maritime classification standards, it offers flexible elegance with custom connector and transformer options.

## Technical Details
