

DE29 L

Recessed mounted ceiling luminaire for accommodation and public areas

The **DE29L** from LightPartner is a recessed LED ceiling luminaire crafted for accommodation zones and public areas aboard vessels. Its seamless galvanized steel housing with a powder-coated finish delivers a clean, contemporary aesthetic, enhanced by an ice-crystal polycarbonate diffuser—completely free of visible screws on the frame. Engineered for easy mounting in panel ceilings—23–55 mm in thickness—it ensures minimal visual distraction while providing exceptional lighting performance. Available with options like dimming, emergency battery backup, alternative diffuser styles, and custom voltage or color setups, the DE29L offers both unmatched elegance and fitted versatility.
